Attorney at Law

Dear Mr. Weiss:

Thank you for the information regarding Jonathan Pollard. I do agree that Mr. Pollard has served longer than anyone that I know of convicted of the same crime. I would be prepared to offer a response if so contacted that I believe he has served ample time. I will prepare a letter to the President suggesting careful consideration of the Pollard case for his parole.

Sincerely,

Dennis DeConcini  
United States Senator (Ret.)

Dear Mr. President:

I served in the Senate and the Intelligence Committee when Jonathan Pollard was arrested and convicted of espionage towards the United States. He received a severe penalty and in my judgement rightfully so. Since that time, he has served as a good prisoner and adequately paid for his wrong doing.

During my term of office, I carefully reviewed Mr. Pollard's case at the request of constituents and concluded at the time that it was not appropriate for a parole for Mr. Pollard. I am convinced that Mr. Pollard has expressed the appropriate remorse and served adequate time and should be considered for parole or pardon.

If you would like additional information, please feel free to contact me.

Thank you for your consideration.

Sincerely,

  
Dennis DeConcini
