

**A Message to
President Barack Obama
From the People of Israel**

Dear President Obama,

We hope that your visit with
PM Benjamin Netanyahu
on July 6th 2010
will be an historic date for both our nations;
an opportunity to demonstrate
what real change means.

Your principled signature on Jonathan Pollard's
pending clemency papers would be the consummate
act of friendship towards the People of Israel.

Mr. President, please send Jonathan Pollard home
to Jerusalem, to his wife and to us, the People.

**Twenty five years is a long time.
Please send Jonathan home
with Mr. Netanyahu now.**

With heartfelt thanks,
The People of Israel
